Conversation starters

- Does your pet have itchy, dry skin?
- Would you like a natural and effective solution for your pet's itching?
- Does your pet suffer from allergy related issues?

Key ingredients

Oatmeal

Compounds found in oatmeal help soothe itching and irritated skin

Natural Salicylic Acid

Eliminates flaking, dandruff and scales associated with seborrhea

Alpha Hydroxys

Penetrates to the lowermost levels of the skin and cleans out the pores.

Beta Hydroxys

Rebuilds and restores the skin

STOPS ITCHING FAST

Helps heal ALL common skin problems!

- SEBORRHEA · SCALING · ECZEMA
- HOTSPOTS · FLAKING · FLEA BITE
- DERMATITIS · REDUCES SHEDDING
- REHYDRATES · DEODORIZES
